

**02 马来西亚多媒体大学 (Multimedia University, Malaysia)**

A vertical stack of five horizontal bars. Each bar starts with a circular image on the left, followed by a colored segment, and then a long purple arrow pointing to the right. The top bar has an orange segment, while the others have a purple segment. The circular images are: a modern building at night, a house with a porch, a street scene with a yellow taxi, an interior office space, and an airplane on a runway.
